Resume Best Practices

BY PENELOPE ROZHKOVA

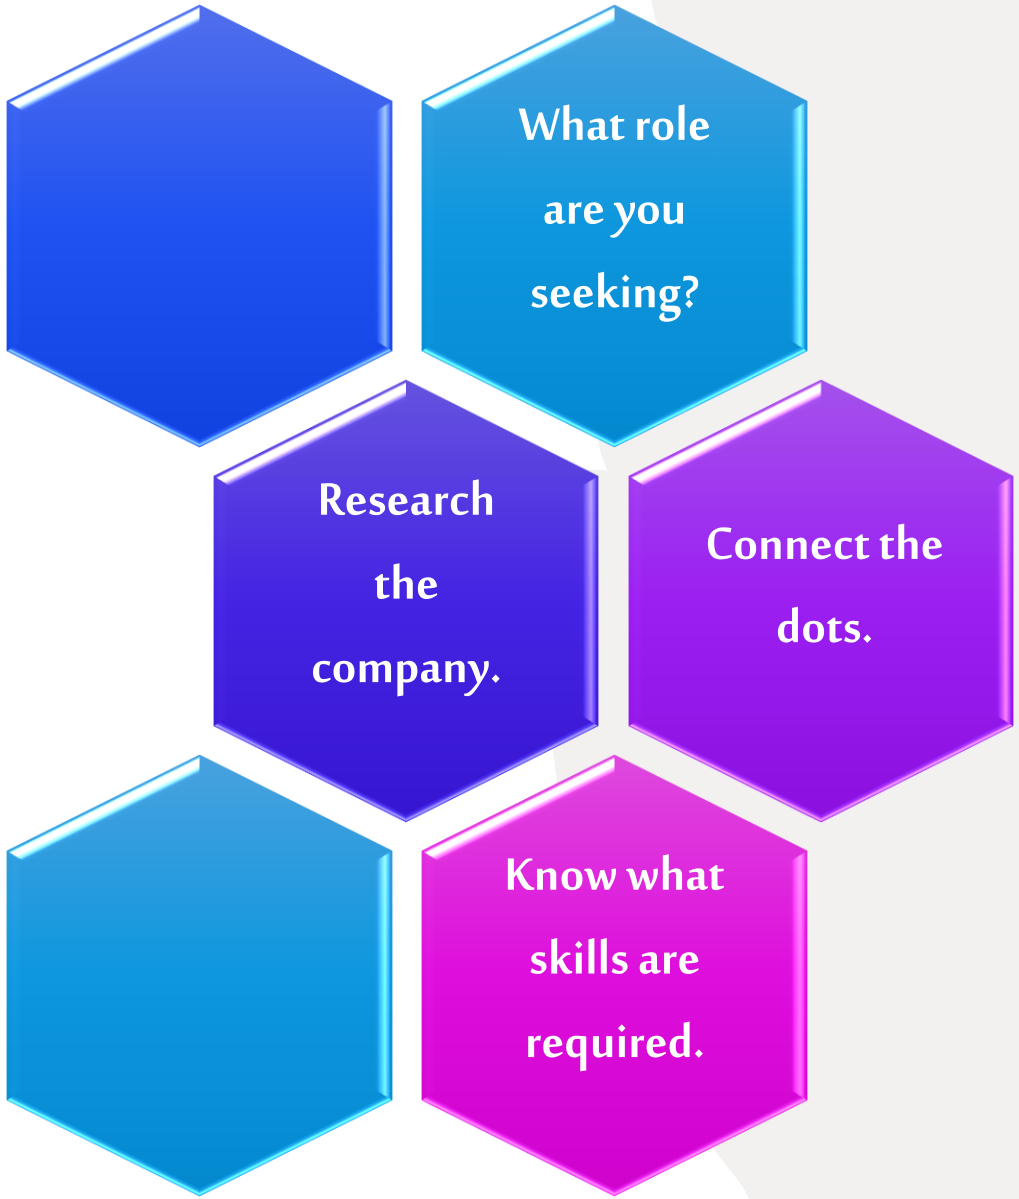
The Three Cardinal Rules for Resumes

Know your objective

Know your audience

Details matter

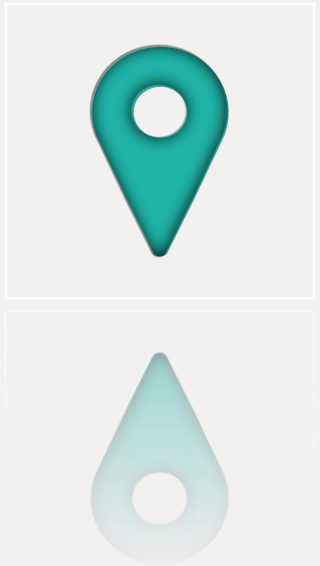
Know your objective



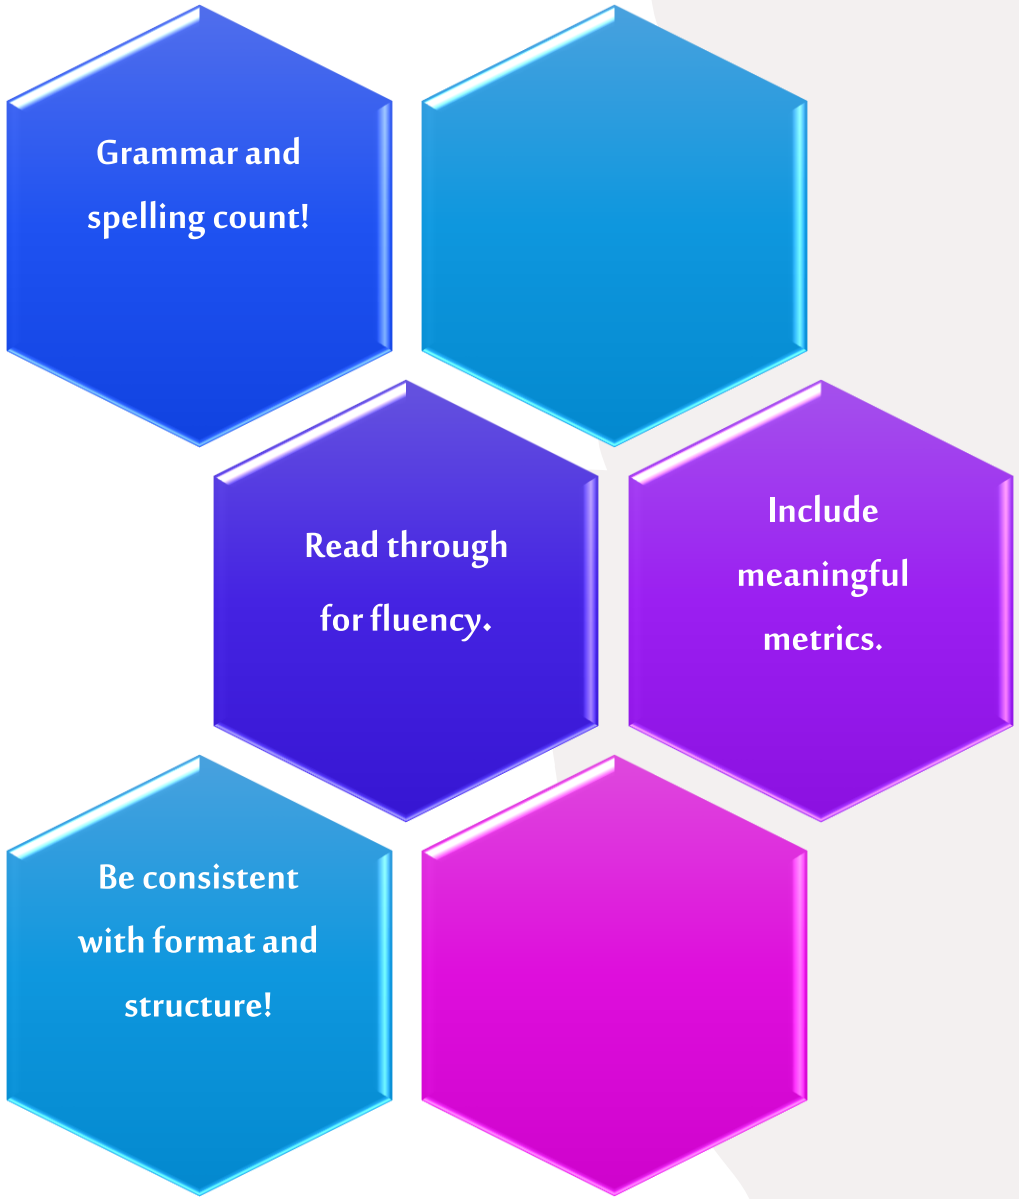
What's the job?

Know your audience

Who are you talking to?



Details matter



Remember the basics!

Additonal Tips

- Maintain a spreadsheet of places where you have applied.
- Follow up on your resumes/applications.
- Keep a comprehensive document of all experience.
- Update resume for specific roles and companies.
- Use job postings to identify wording for use in your resume.
